

DRIVING THEORY TEST PREPARATION

This course is designed for those who are planning to take their English driving test. You will learn the language skills needed to help you understand and pass the official driving theory test.

The content of your course will depend on your skills needs. For example:

1. You will learn how to answer the multiple choice questions successfully.
2. You will be able to practice for your hazard perception test
3. You will learn tips on how to become a safer driver.
